

Swag and Poinsettia

Quilting Border Motifs

Cindy Needham's seasonal quilting motifs appear in the December, 2004 issue of *QNM*. See "*Romancing the Holidays*" in that issue for more information and quilting inspiration.

To mark each border strip, starting from the corners and working toward the border center, align the poinsettia centers and mark the border strip to fill. If you'd like a different motif for the "buttons" between the swags, mark the holly leaves and berries in *Romancing the Holidays*, *QNM* issue 368, or a design of your choosing. This motif is suitable for 7" borders.

For each corner, fold the border diagonally, aligning adjacent edges of the quilt and crease. Align the dotted line with the crease and mark the motif. Flip the tracing, match dots, and mark again to complete the corner motif.
