

# *Dreaming of Rosebuds*

Paper-foundation Pattern

The quilt *Dreaming of Rosebuds* shown in the April 2005 (#371) issue of *QNM* uses multiples of a single simple unit. If you prefer to use foundation piecing, copy the pattern given here, in reverse, at 100 percent.

See the April 2005 issue of *Quilter's Newsletter Magazine* to view the complete quilt pattern. If that issue is no longer available at your local quilt shop, visit [www.VillageQuiltShoppe.com](http://www.VillageQuiltShoppe.com) to check back issue availability.
