PRALINE PARFAIT

Designs from Keryn Emmerson's collection "Trapunto Quilt-As-You-Go" for Golden Threads were used in the setting squares of *Praline Parfait* by Martha Cox, shown in the January/February 2006 issue of *QNM* (#379). With permission from Golden Threads, we've included one of the motifs for your individual use. The design is for a 14" block.
