

Feathered Heart Quilting Motif

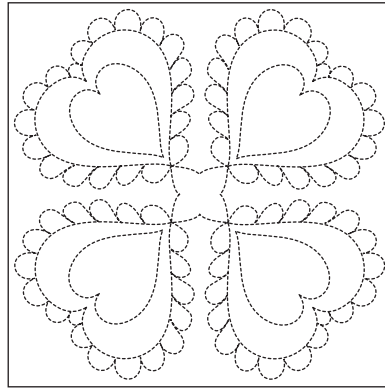

Gourmet Fillings

A web extra from Quilter's Newsletter Magazine

In the January/February 2006 issue of *Quilter's Newsletter Magazine*, we tested newly available cotton and cotton blend batting. The motif used is suitable for both hand and machine quilting, and it was designed exclusively for this feature by *QNM's* executive director Mary Leman Austin.

To mark the **Feathered Hearts quilting** in a 12" (finished) block, trace the $\frac{1}{4}$ motif, center mark, and dotted lines on paper. Rotate the tracing and mark again. Repeat to trace the complete motif.

Using a light source underneath, layer the traced motif and then the block; lightly mark the motif.
