

# Picture Image Applique

In the December 2006 issue of *QNM*, we presented Wendy Butler Berns's Picture Image Applique technique in "Quiltmaker's Workshop." The pattern given in the issue for *Hello, Mr. Cardinal—It's Winter* was given at 25 percent size. The full-size 11" x 17" pattern is given here. Print both pages of this PDF file, then tape them together to make a complete pattern. Follow the instructions in the issue to make this quilt.
