

Bethlehem Medallion

A web extra from Quilters Newsletter

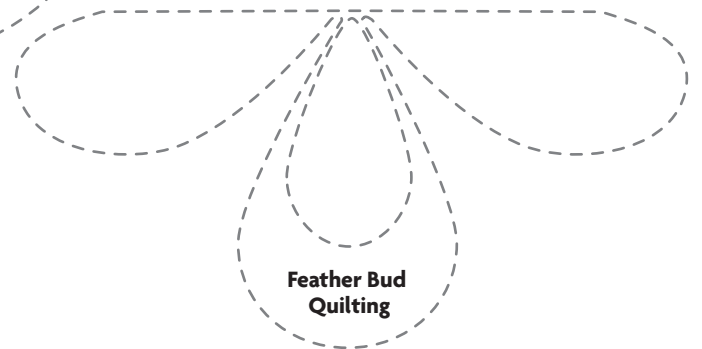

BY ANGIE HODAPP

Here are two quilting motifs *QN* editor Angie Hodapp used on the second border of *Bethlehem Medallion*. The Christmas wall quilt was made using the Spirit of the Season fabric collections I and II, designed by Judie Rothermel for Marcus Brothers Textiles.

The complete pattern for Bethlehem Medallion appears in the December 2007 issue (398) of *Quilters Newsletter*. If that issue is no longer available at your local quilt store, check back issue availability and order online at www.village-quiltshoppe.com.
